

E+10

Ericeira World Surfing Reserve +10 years

In 2021, celebrate the tenth anniversary of Ericeira World Surf Reserve with Ericeira Surf Clube and Erasmus+ Sport | Not for profit European sport events

Co-funded by the
Erasmus+ Programme
of the European Union

2021 – Year of the 10th anniversary of Ericeira WSR

Ericeira Surf Club is organising a series of events, conferences, training sessions and sponsoring a *surfonomics* impact study for the occasion of the coming anniversary. We would like to invite you to be one of the 9 participating NGO's who will attend and participate in our curated programme.

E+10 Programme

ESC has carefully organised a programme focused into 4 main subjects, each one associated in its own way to the World Surf Reserves.

SURFING ACTIVITIES

Promote physical and mental health habits and environment through the surfing practice.

EDUCATION

Provide training to promote awareness and an healthier community.

SUSTAINABILITY

To promote the sustainable use of the local resources,

SOCIAL DEVELOPMENT

To care for an equal , caring and active society in the XXI century.

ERASMUS+ SPORT

Not for profit European sport events

Granting individual organisations in charge of the preparation, organisation and follow up to a given event. The activities involved will include the organisation of training activities for athletes and volunteers in the run up to the event, opening and closing ceremonies, competitions, side activities to the sporting event (conferences, seminars), as well as the implementation of legacy activities, such as evaluations or follow up activities;

Co-funded by the
Erasmus+ Programme
of the European Union

E+10 Activities Plan

Within the goal of the programme and the Erasmus+ Sport framework, ESC is planning the following events and deliverables

EVENT WEEK

In October 2021, ESC will organise in Ericeira the main event. 200 teenage participants from 9 different countries will be invited to come surf with us, attend workshops and take part of environmental actions.

TRAINING OF TRAINERS

In July 2021, ESC will prepare the main event country leaders and surf ambassadors. One to two trainers per country will be invited to come to Ericeira for workshops on subjects such as surfing, health, education and sustainability be

CONFERENCES

From January to November 2021 a series of conferences will take place in Ericeira focusing the subjects of health, sports, sustainability and economy in coastal communities and territories.

SURFONOMICS STUDY

A field study on the impact of surfing in Ericeira's economy will be produced by credited researchers, verified by a scientific committee and disseminated in the network of participants.

E+10

**Ericeira World Surfing
Reserve +10 years**

The participation will be free and the trainers and participants will be partially or completely funded by ESC and ERASMUS+ Sport. At this stage we will need your expression of interest in the programme, committing to select your country's trainers and participants and coordinating their involvement into the project.
